Mr. WEBSTER, from the Committee on Interstate and Foreign Commerce, submitted the following

REPORT.

[To accompany S. 4825.]

The Committee on Interstate and Foreign Commerce, to whom was referred the bill S. 4825, having considered the same, report thereon with a recommendation that it pass.

WAR DEPARTMENT, *January 18, 1921.*

Subject: Report on S. 4825, Sixty-sixth Congress, third session, to extend the time for the construction of a bridge across Columbia River, Oreg.

Respectfully returned to the chairman Committee on Commerce, United States Senate.

So far as the interests committed to this department are concerned, I do not know of any objection to the favorable consideration by Congress of the accompanying bill, S. 4825, current session, to extend the time for the construction of a bridge across the Columbia River, between the States of Oregon and Washington, at or within 2 miles westerly from Cascade Locks, Oreg., if the bill be amended as indicated in red thereon.
